Education Week Celebrations
Thank you to all of the parents, friends and community members who joined us for our Education Week celebrations on Thursday, 31st March. A highlight of the day was the open classrooms where the students showed the wonderful work they have been doing during the year. Thank you to Mrs Hogan, Emily Hogan, Mrs Goodwin, Stu Fitzgerald and Miss Hodges for providing us with a scrumptious morning tea.

On Wednesday 30th March, Lewis Dean, Toby Weston and I travelled to Yeoval Central School for a leadership morning tea with the Yeoval Central School and St Columbus School Captain’s. We were joined by a range of community leaders from Local Businesses and Community Groups. Thank you to Mrs Bliss for inviting us to this event. It was wonderful to see all of the current school leaders interacting together.

I Con Awards
During our Education Week Assembly an additional 15 children were presented with their Bronze I-Con Badges. Congratulations to all of the children for being outstanding school citizens and their hard work in the classroom and library. We look forward to presenting more Bronze Badges this year and have a number of students who are very close to receiving their Silver Badge.

CWA Country of Study – Botswana
On Tuesday, 22nd July the School Captains and I joined the Cumnock Country Women’s Association for their annual Country of Study Lunch. It was fantastic to see all of the children’s projects displayed. Congratulations to all of the children who entered it was very obvious that a lot of time and effort had gone into all of the projects.

Congratulations to the children who were awarded first, second or highly commended in their sections. Children who were awarded first place in any division have had their projects taken to the next level of judging on the 5th September and will be displayed at the CWA Group Annual AGM/Conference at the end of October.
