School Banking at Cumnock Public School
On Tuesday, 12th August Frank from the Commonwealth Bank in Molong came to the school to talk to the students about how to become involved in school banking. All of the children were very excited to hear about the fantastic incentives offered by the CBA to start saving. If you would like your child / children to participate in school banking there are a few simple steps you need to take:

1) Go into any branch of the Commonwealth Bank and open a Dollamites account
2) Start saving

If your child / children already have a Dollamites account all you need to do is start saving!

School banking will begin on Monday, 1st September! Please remind your children to bring in their bankbooks each Monday to redeem their incentive tokens.

Incentive tokens are given to the children each time they make a deposit into their account. The emphasis of the program is regular savings, so no minimum deposit is required to collect a token. Children are able to save their tokens to redeem prizes. A range of prizes are available starting at a ten token value.

Thankyou to Heidi Duffy for offering to be our school banking co-ordinator!

School Uniform Update
Thank you to all of the children who have been wearing their full school uniform each day. We have many parents and community members commenting on how fantastic you all look. To encourage the students to wear their full school uniforms each day we are holding a disco at the end of the term. Students who wear full school uniform for 95% of school days will be eligible to attend. If your child / children do not have any items of the uniform they are available at the school office.

Financial support is available for purchasing uniforms from the school’s Student Assistance Scheme. Application forms are available from the school and all applications will be treated confidentially.
Crunch & Sip
Every morning the children are invited to participate in Crunch and Sip. This is a time where the children are able to eat fruit or vegetables and have a brain break. Please pack an additional piece of fruit or some vegetables so your child/children can participate each day. On Tuesdays, we continue to have our class Crunch and Sip platters.

Thank you to all of the parents who provide fruit and vegetables to share during this time. Thank you also, to our wonderful volunteers Mrs Sparkes, Mrs Murray, Mrs Townsend and Mr Strahan who cut up the fruit each week.

Kindergarten 2015 Enrolments
Enrolment forms are available from the school office for any pre-school children who are intending to come to school next year. Enrolment forms, information regarding our transition program and parent meetings will be sent home this term to the children at Cumnock Pre-School. If you know of anyone who is not attending the Cumnock Pre-School but is intending to enrol their child/children at school could you please ask them to contact the school.

Have a great couple of weeks
